- 753-763 Sahotra Sarkar
Haldane's *The causes of evolution* and the Modern Synthesis in evolutionary biology
- 765-772 Veena Rao · Vidyanand Nanjundiah
Haldane's view of natural selection

Front cover: The image of J. B. S. Haldane is reproduced from an original water-colour painting by the late Mr B. K. Sinha, who was working in the Indian Statistical Institute during the period when J. B. S. Haldane was a Professor in the Institute. This painting was a personal gift to Prof. Partha P. Majumder by Mr Sinha.
