## CONTENT

- Synchro-Phasor Measurement Method for Capacitance Fault Identification  
in High Voltage Transmission Lines 1-14  
**M. Nithyavelam, M. Mohanasruthi, K. Pavan Kumar,  
N. Manideep and Joseph Henry**
- Managing Value Co-Creation Through Flexibility: Marketing Model for Emerging Enterprises 15-20  
**Kumar Shalender and Amit Kumar Mishra**
- Control and Monitoring of an islanded Microgrid with Renewable Energy Sources 21-30  
**Anoop S, Ilango K, Nandagopal J.Lc and Manjula G Nair**
- Evaluation of Activities to Human Development toward ASEAN Community  
of Higher Education Institutions in Deep South of Thailand 31-46  
**Nat Luxchaigul**
- Performance Analysis of Reduced Device Count Multilevel Inverter with Low Frequency  
PWM Schemes 47-56  
**S. Malathy, R. Ramaprabha, B. Kabilram, K. Manirajan,  
K. Marriappan and G. Vignesh**
- Simulation of Mission Critical Translational Network for Scalable Drone Services 57-64  
**Ankush Rai and R. Jagadeesh.Kannan**
- Feature Selection based on Correlation and Information Gain for Plant Leaf Classification 65-71  
**A.V. Senthil Kumar**
