OPSEARCH

Journal of the Operational Research Society of India

For Circulation in India only

Official Publication
of the Operational Research
Society of India

Springer

Application Articles

1. Cost efficiency analysis of public sector general insurers by fuzzy DEA approach
K. Kapil Raj, S. Srinivasan and C.D. Nandakumar 519
2. Mathematical analysis on production control in manufacturing units under disaster and repair with compulsory vacation
S. Jeyakumar and B. Logapriya 532
3. Generalized neutrosophic Laplace transform and its application in an EOQ model with price and deterioration-dependent demand
R. Haque, M. Rahaman, S. Alam, P.K. Behera and S.P. Mondal 550
4. Analyzing operational risks of digital supply chain transformation using hybrid ISM-MICMAC method
A. Hasani, G. Haseli and M. Deveci 583
5. Complex Fermatean fuzzy partitioned Maclaurin symmetric mean operators and their application to hostel site selection
M. Azeem, J. Ali and J. Ali 608
6. The influence of customer value on sustainable green purchasing decision: the mediating role of customer attitudes and behavior
K. Alkhawaldeh, R. Suwan and M. Qadri 643
7. Experiment-based process modelling and analysis in Nd:YAG laser cutting of Hastelloy C-276: RSM-CCD technique
A. Tamilarasan, A. Renugambal, D. Rajamani and M. Shaik 661
8. Extended twin parametric margin support vector regression
A. Sahleh, M. Salahi, S. Eskandari and T. Khodamoradi 682
9. Size-biased Hybrid Model for Software Defect Prediction
A.K. Chakraborty, A. Majumder and V. Kundu 706
10. Trading-off lives and livelihood: optimal lockdown policy in a unified epidemic and economic framework
K.D. Jagtap and K. Kandhway 725

Theoretical Articles

11. On prognosis of growth of plants
E.L. Pankratov 772
12. Bat algorithm for optimizing a working vacation queue with impatient clients and secondary service
K. Jyothsna, P. Vijaya Kumar and P. Vijaya Laxmi 777
13. Inferences on stress-strength reliability $R = P[Y < X < Z]$ for progressively type-II censored Weibull half logistic distribution
A.S. Nayal, A. Tyagi, S. Rathi and B. Singh 797
14. Maximum flow in hybrid network with intermediate storage
B.P. Pangeni and T.N. Dhamala 833
15. Steady state behavior of multiple variant hiatus queues with a waiting server at each stage
R. Remya, K. Kalidass and M. Vadivukarasi 850
16. A *Tri*-level minimum information demand estimation model to the inverse p -median problem
M. Zaferanieh and M. Abareshi 877
17. Optimal substitution strategies for inventory management: a novel simplified EOQ based model with shortages
S.K. Mishra and V.K. Mishra 905
18. An integrated mixture of distribution model for environmental cost with fuzzy demand
K. Annadurai and V. Rajarajeswari 926
19. An improved tunicate swarm algorithm with random opposition based learning for global optimization problems
V. Chandran and P. Mohapatra 959
20. Seeker optimization with mask RCNN based efficient model for Covid-19 detection and severity analysis using CT images
P.R. Mupra, B. Ashok and T.S. Bindulal 985

21. Taxonomical study of perishable product supply chain to petri net modelling technique using bibliometric visualization
M. Bhardwaj and R. Agrawal 1006
22. A closed form formula for equity valuation model based on differential equation
I.-C. Yeh 1039
23. Structural credit risk models with stochastic default barriers and jump clustering using Hawkes jump-diffusion processes
P. Pasricha, D. Selvamuthu and P. Tardelli 1061
- Technical Note*
24. Overlooked effect of negative data on efficiency analysis
W.-M. Lu, Q.L. Kweh and I.W.K. Ting 1082

The copies of the journal to members of the association are sent by ordinary post. If any of the member wishes to receive the copies by registered post or courier, kindly contact the journal/publisher's office. Membership or subscription copies returned due to incomplete, incorrect or changed address for two consecutive occasions, would force us to delete the names from the mailing list of the journal. Providing complete, correct and up-to-date address is the responsibility of the members. The editorial board, association or publisher will not be responsible for non-receipt of copies due to incorrect or incomplete address. The copy received for personal use by a member of the association/society, should not be sold or given away for commercial or library use. It is also illegal to acquire copies from any other source without subscribing to the journal.
